

Redefining **Self-Funding**

VERIS is a real solution for employee benefits. The time-proven, broker-driven program leverages Benecon's stop loss purchasing power and provides greater control and transparency. It's a health insurance alternative that is client focused, offering greater protection and savings.

Benecon by the numbers 30+ years of experience, \$2 billion in administered funds, 98% retention, \$430+ million in stop loss placed

Control Choose the plan design, network & funding options

Full Transparency Access to all claims data

Proven actuarial pricing model Priced by Benecon's independent actuaries, not the insurance carrier

Stop Loss Guaranteed renewable, No underwriting or lasers at renewal

Surplus 100% of surplus is retained by the group

Savings Lower trend and renewals consistently below industry average

Available VERIS networks based on group size and location

Aetna | Meritain | UHC & UMR | Blue Cross | Cigna | Select TPAs
