

## Solving self-funding for everyone

What if there was an option that mitigated the risk and offered a trusted, long-term self-funding solution?

**Self-funding through Benecon's VERIS Consortium is the answer.**

### **Credibility**

2000+ groups and 200,000+ employees covered

### **Financial Leverage**

\$750+ million of stop loss premium placed in the market

- Guaranteed renewable
- No new lasers in perpetuity
- Rate caps at renewal
- 100% surplus return on unused claims dollars

### **Independent Actuaries**

- Benecon actuaries set the rates, not carrier underwriters. This equals pricing fairness.

### **Transparency**

- Claims - 100% access to all de-identified data
- Financial - detailed reporting accounts for every health plan expenditure
