

Solving self-funding for everyone

What if there was an option that mitigated the risk and offered a trusted, long-term self-funding solution?

Self-funding through the VERIS Consortium is the answer.

Credibility

2000+ groups and 230,000+ employees covered

Financial Leverage

\$780+ million of stop loss premium placed in the market

- Guaranteed renewable
- No new lasers in perpetuity
- Rate caps at renewal
- 100% surplus return on unused claims dollars

Independent Actuaries

- Benecon actuaries set the rates, not carrier underwriters. This equals pricing fairness.

Transparency

- Claims - 100% access to all de-identified data
- Financial - detailed reporting accounts for every health plan expenditure
