

## Lab Claims Cost Analysis

To Whom It May Concern:

Please provide the following privacy compliant, claims information in an Excel or.csv file for us to calculate your dollar savings and ROI with **QuestSelect™**:

1. All claims with CPT codes 36415, 36416 and 80047 through 89325
2. All claims with revenue codes 0300 through 0306
3. Number of enrolled health plan members (not number of employees or union members)

The privacy compliant information per claim requested to complete your analysis should include:

- Medical provider NPI number
- Medical provider name
- Medical provider street address – no PO Boxes
- Medical provider city
- Medical provider state
- Medical provider zip code
- CPT code
- Revenue code
- DRG code
- Medical provider charge per CPT code
- Patient copay per CPT code
- Patient coinsurance per CPT code
- Patient deductible per CPT code
- Health plan payment amount per CPT code
- Revenue code
- Payment per revenue code
- Date of service

We look forward to providing you with valuable insight into your health plan spend and a fantastic member cost savings opportunity.

Sincerely,

Don Hansen
