

# weight health overview.

Revive's **weight health program** is built to support sustainable weight loss and overall well-being for your employees.

Revive's Weight Health Program offers a modern, holistic approach to weight management, combining expert-guided care with lifestyle coaching. Employers can provide this benefit at a simple PEPM (Per Employee Per Month) rate.

## PROGRAM FEATURES

- **Weight loss medications** for eligible members prescribed by providers to help them stay on top of doses and manage any symptoms.
- **Personalized coaching sessions** with a Revive health coach to keep your employers motivated, focused, and moving forward.
- **Free home delivery** of essential weight health medications, saving members a visit to the pharmacy.

## Why Revive?

- ✓ **Comprehensive, Whole-Person Care**  
Address physical, emotional, and behavioral aspects of weight management
- ✓ **Cost Predictability**  
Employers enjoy simple, PEPM-based pricing with no surprises. Employees only cover the cost of medications\*
- ✓ **Meets Growing Demand for Weight Loss Solutions**  
52%<sup>1</sup> of full-time workers want weight-loss drugs included in their health benefits.
