

# Virtual pharmacy and urgent care services your clients didn't know they needed.

Revive offers a virtual urgent care clinic and pharmacy service that empowers you to enhance the benefits packages of your middle-market and large-group clients.

Revive can also reduce utilization of more costly medical services available through your client's major medical plan, therefore diverting costs associated with those claims. Pricing is per-employee-per-month, which enables cost predictability and keeps healthcare affordable for members. See below for our member's included benefits.

# **Services**

**Urgent Care:** Provide your clients with immediate access to 24/7/365 urgent care services. Members can connect with top-tier doctors in minutes, receiving prompt diagnoses, treatment, prescriptions, and referrals, all without leaving home. By avoiding long wait times, employees stay healthier and more productive, leading to reduced downtime and a stronger bottom line for your clients.

**Pharmacy Services:** The comprehensive pharmacy service program included in our platform offers over 1,000 commonly prescribed generic maintenance medications. These medications are available at no cost to the member, and delivered directly to their homes. The service also provides members a pharmacy discount card, which they can use to pick up over 70 urgent care medications from over 70,000 retail pharmacies, also at no cost to them. This benefit is a driver of employ- ee satisfaction and cost efficiency for your clients, as it can divert medication claims costs for self-insured employers.

# Why brokers choose revive?

## **Optimize Healthcare Spend**

Reduce Major Medical Utilization: Lower overall healthcare costs by decreasing reliance on traditional major medical plans and by minimizing high-cost claims. This can lead to reduced claim payouts and potentially lower stop-loss premiums for self-insured employers.

Cost-Effective: Our virtual clinic operates on a predictable per-employee-per-month (PEPM) basis, which complements your client's existing health insurance plans.

## **Enhance Employee Experience**

No Cost to Employees: Engage your clients' workforces with accessible, no-cost services that encourage preventive care and increase overall satisfaction.

#### Attract & Retain Talent

Diverse Workforce Coverage: Provide affordable, quality care for full-time, part-time, and 1099 contractors across various industries.

Employee Satisfaction: Enhanced benefits lead to higher employee retention and attraction, making your client's organization a top choice for talent

#### **Inform Strategic Decisions**

Data-Driven Insights: Leverage valuable analytics to inform your overall benefits strategy, health initiatives, and cost management efforts.
