

QuestSelect™

Overview

- QuestSelect steers costly lab tests away from hospitals—the most expensive site of care.
- Access to 1,200+ tests through Quest Diagnostics™, offered as a subscription-based clinical lab program.
- Employees receive unlimited lab testing (blood work, urine, cultures, cytology) at a \$0 out-of-pocket cost.
- No claims are submitted to the medical plan.

Availability

For information on service availability, please contact QuestSelect.

Cost/Billing

- A \$4 PMPM fee will be billed by QuestSelect directly to the employer.
- The invoice is separate from Benecon's monthly consolidated invoice, and pay at max groups cannot use claim funds for payment.

Plan Integration

This service operates separately from the medical plan and **is not eligible** for reimbursement under the stop loss policy.

Employee Eligibility Coordination

Eligibility is to be provided by the group/consultant directly to QuestSelect.

Next Steps

The consultant should contact QuestSelect with questions or to begin implementation.

Disclaimer: The Benecon Group, LLC, ConnectCare3, LLC, and the VERIS benefits Consortium, LLC provide vendor options as potential resources based on internal evaluations. These are not endorsements or guarantees of services or performance. No affiliation exists beyond these recommendations unless stated otherwise. Employer groups, their consultants, and legal counsel are responsible for verifying that any vendor or service does not violate existing contracts (including RX rebates) and for conducting independent due diligence. All decisions to engage vendors are made solely at the employer group's discretion and risk. The above entities do not provide legal advice and disclaim liability for any outcomes from vendor use. Legal consultation is strongly advised before making plan changes.
