Availability

Only available to groups eligible through an integrated TPA/PBM or selected by ConnectCare3 for the pilot program.

Cost/Billing

- There is no PEPM cost.
- Claims are processed and paid through the standard billing procedures of the integrated TPA/PBM.

Plan Integration

Rx Valet is available when integrated with TPA/PBM. Integration means Benecon receives combined claims and reporting for both medical and pharmacy from the TPA/PBM. Rx Valet must also be included in the TPA's or PBM's plan documentation.

Stop Loss Impact

Stop loss reimbursements are determined based on the plan document. Please note that if the integrated TPA/PBM partner(s) add additional fees, they may not be covered by stop loss.

Employee Eligibility Coordination

Eligibility will be coordinated through the TPA/PBM.

Next Steps

Contact your TPA/PBM to confirm if Rx Valet is integrated. Once confirmed, contact Rx Valet to begin implementation. If your TPA/PBM is not integrated, please select the box indicating you are interested in being included in the pilot on your renewal.
