

Real Problems. Real Solutions.

BenefitSmart helps redirect J-code infusion care away from traditional, high-cost settings to high-quality, lower-cost providers sometimes even at the member's home. The result is significant savings for employers and **\$0 out of pocket costs for members**, eliminating financial burden and many times making the treatment more convenient.

Possible Use-Cases

- ⚠ High out-of-pocket costs for medical treatment.
- ⚠ Postponed or neglected care stemming from financial concerns.
- ⚠ Limited or confusing provider options that often default to expensive hospital outpatient settings.

BenefitSmart supports by:

- ✓ Redirecting to **high-quality, lower-cost infusion providers**.
- ✓ Advocating for patients and offering educational support.
- ✓ Providing navigation services to qualified and vetted infusion providers.

Integrate through Benecon

Plan Integration

This service is available even if BenefitSmart is not integrated with your TPA or PBM. Benecon will provide universal language to be added to your plan document.

Employee Eligibility Coordination

Eligibility is coordinated by BenefitSmart. Outreach to eligible members usually begins once initial treatment is underway.

Billing/Cost

No upfront PEPM cost. All fees are success-based and aligned to savings.

Treatment facilitated by BenefitSmart is covered by stop loss and can be paid out of the claims fund.
