

FEDlogic Overview

FEDlogic is a free, confidential, and unbiased resource provided by your employer to help you and your family access federal and state programs you may be entitled to. There are thousands of programs available that can provide healthcare coverage, assistance, and support services. FEDlogic's experts are experienced with these programs and situations, and are available to help you navigate options you may not be familiar with or that may be overwhelming to navigate on your own.

When FEDlogic Can Help

Changes in a person's [*health / life / employment*] can lead to different benefits through federal, state, and marketplace programs.

Examples:

Health-related	Life Events or Circumstances	Employment-related	Special Populations
• End Stage Renal Disease (ESRD) • ALS (Lou Gehrig's Disease) • Cancer • Disability • Terminal Illness	• Premature Baby Birth • Loss of Spouse or Dependent • Caregiving • Natural Disasters • Assistance Programs	• Loss of Employment or Income • Retirement • Loss of Coverage • Unable to Work	• Veterans • Tribal Members • Railroad Pension

About FEDlogic

- FEDlogic is a benefit provided to you by your employer.
- FEDlogic helps families navigate federal and state benefits that can offer healthcare coverage, help lower healthcare costs, and provide support for your family.
- Beyond medical coverage, there are also programs that can help support your family.
- There are thousands of federal and state programs, and FEDlogic's experts know how to navigate and access them, should you choose to.

 - *NOTE: Employees have free access to FEDlogic services, which are paid for by their employer.*
- **FEDlogic does not sell products, health plans, or services** to you or your family.
- All consultations with FEDlogic are confidential.
 - FEDlogic does not share your personal information with your employer, unless you provide permission to FEDlogic.

Introduction to FEDlogic

- I'd like to connect you with a FEDlogic expert who can help you navigate your options.
- We can start by calling FEDlogic and telling them a little more about what's going on.
- Then, they will schedule a time to discuss any programs and benefits you may have access to.

If it is outside of FEDlogic's business hours:

- I can help you fill out their Employee Questionnaire online right now so they'll have your information. They will be able to coordinate a time for them to contact you.
employees.fedlogicgroup.com/form
 - *NOTE: add a note in the last question about who is helping the employee fill out the form, and any details about the timing, we should contact them*

If the employee does not want to contact FEDlogic at the moment:

- I can send you a follow-up message with their contact information so you can reach out any time. Please know YOU do not have to make a commitment to their services - they are available to help you make sure you have access to all the benefits you are entitled to.
